What is Just Jump?

Just Jump is a platformer designed to be both challenging and fun. It features cute art that blends bright, playful visuals with subtle darker tones hinting at the difficulty ahead.

The simple, responsive controls let players focus on precise jumps and tight timing, while new obstacles and mechanics gradually increase the challenge. It rewards patience and skill, turning every failure into motivation to try again.

Why is it different?

Just Jump features constant movement, original art, and creative ideas. A fun yet challenging final boss caps off the game—beat him to see how long your run took!

Core Mechanics

- One button jumping
- Constantly moving
- Wall jumping
- Death by hippo or lava

The Story

When a mischievous flying hippo begins stealing seeds and destroying his hometown, a brave plant rises up to stop it. But the hippo is only a pawn.

Behind it all lurks a mysterious final boss whose dark power threatens the entire land. Determined to protect his homeland, the plant sets off on a daring journey to confront this hidden enemy and save everyone.

Meet the Cast

Jeff:

The protagonist of the game, with a bouncy attitude. Roots snugly tucked into worn leather, leaves bobbing with every step, he never doubts that he can be a hero.

Henry:

One of the antagonists, he zips around, often swinging wildly thanks to his blurry vision. He has a playful demeanor and loves causing harmless chaos wherever he goes.

Final Boss:

There is not much known about this mystery character, but we know he is behind all of the trouble! Find him and defeat him when you play the game!
